\*We expect that delivery of the notes will be made to investors on or about October 25, 2023, which will be the fourth business day following the date of pricing of the notes (such settlement being referred to as "T+4). Under Rule 15c6-1 under the Exchange Act, trades in the secondary market are required to settle in two business days, unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade notes prior to the second business day preceding the delivery of the notes hereunder will be required, by virtue of the fact that the notes will initially settle in T+4, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of the notes who wish to trade the notes prior to the second business day preceding their date of delivery hereunder should consult their advisors.
