Our customer service and trustworthy advice are what continue to differentiate us across the industry, and our AutoZoners' commitment to delivering exceptional service has allowed us to continue to deliver strong financial results. While we started this quarter slowly, we saw improvements in the back half of our quarter. Additionally, we continued to be pleased with our International stores' performance and we are excited about future growth prospects across both Mexico and Brazil. While we turn our focus to performance in the new fiscal year, we will remain committed to prudently investing capital in our business, and we will be steadfast in our long-term, disciplined approach to increasing operating earnings and cash flows while utilizing our balance sheet effectively," said Bill Rhodes, Chairman, President and Chief Executive Officer.
